Happy second day of school Deerfield! I am so proud of all of our students and teachers for the work they have done over the past two days. I am also proud of all of our parents who have become teaching assistants during distance learning. Who could have imagined a time when we would have started school with no students on campus? While we missed the noisy excitement around the school, we were happy to be able to see all of the smiling faces over zoom. Thank you for your continued support as we navigate the start of the school year.

Chromebooks: We understand that there will be issues with Chromebooks. Parents and students are encouraged to contact our Help Desk directly at helpdesk@iusd.org with issues logging on or other technology challenges. Please provide as much information as possible when they submit tickets to our team. You are always welcome to contact your child's teacher or the front office for assistance as well.

Absences: If your child is sick and unable to log in to class meetings, please be sure to email the classroom teacher or call the front office. Attendance is being taken daily as the expectation is that students attend all required sessions and complete daily assignments.

Online Learning Privacy and Guidelines: Now that we are all in distance learning or IVA, there are certain guidelines that need to be reviewed. You will be receiving a separate email that outlines important information regarding student privacy and online learning guidelines.
